

Dear Parent/Guardian of Linapuni Elementary School student:

For School Year 2021-2022, our school is once again participating in the Community Eligibility Provision (CEP) program which allows all enrolled students to receive one breakfast and one lunch each school day at no charge to the family. We will *not* be administering the Free and Reduced-Price Meal Applications; however, we will be collecting a Family Household Survey (see page 3) from each student at our school.

The information this survey provides is very important in determining other benefits and funding opportunities your child may be eligible for. Many state and federal programs also use students' socioeconomic status (based on household and income information) to determine a school's eligibility for its programs. Returning this form will help to ensure that your child and our school will receive benefits that support your child's education.

You should receive a form for each child who is attending a CEP school. For a complete list of schools participating in CEP, visit <http://bit.ly/HawaiiCEP>.

Please complete and return the attached survey (page 3) to your child's teacher or to the school's office at Linapuni Elementary School. If you have any questions about the purpose of this form or how to complete it, please contact our school at (808) 305-2150. Thank you for your support.

Sincerely,
Tami Haili
Principal
