

March 23, 2020

Aloha, Families!

We hope that you are all safe and well during this extended spring break. In light of the growing concerns of COVID-19, we want to ensure that all of our students and families stay safe and healthy. We're here to support you as much as we can, and we're sending home this packet to help support our students' learning.

In this packet, you will find many different apps and activities for your child to engage in every day. This is a great opportunity to see what your child has been learning in class! We hope that this can be a positive experience for both you and your child. If you notice your child feeling overwhelmed, have them take a few "brave breaths" to calm their emotions and take a 5-10min brain break (example: sing a song, exercise).

We understand this is a stressful time for everyone, but we are in this together. Please practice social distancing for the safety of your families and those around you, avoid touching your face, and always remember to wash your hands with soap and water for 20 seconds (sing "Happy Birthday" twice). If you have any questions or concerns, please contact the school and they will send us your message. We're here for you! Take care and keep safe. We look forward to seeing you soon!

Love,  
Mrs. Salcedo  
Ms. Werkmeister  
Mr. Azama  
Mrs. Inouye

Linapuni Elementary School
