

# LINAPUNI ELEMENTARY SCHOOL

## New Principal's Welcome Letter

Aloha Linapuni Parents and Guardians,

I am extremely grateful and honored to serve you as the new principal at Linapuni Elementary School. It is such an honor to be given this opportunity to lead a caring and culturally responsive learning community that is focused on educating the whole child and preparing our early learners to be lifelong learners.

As I step forward on this new leadership path, I am eager and excited to get to meet and know all of you along with our students, teachers, staff, and community members at Linapuni Elementary.

I also feel very fortunate to begin this new leadership journey serving alongside a committed team of dedicated and passionate educators and support staff who serve from the heart and work hard to ensure the success of all students.

Along with the teachers and staff, I am also passionate about teaching and learning and believe a caring and engaging school community sets the stage for everyone (*all students and adults*) to learn and grow. My focus will always be on the well-being of each person within this school community and I will do my best to maintain a safe and supportive learning environment for all.

I also believe a child's early years in education lays the foundation for his or her future development and provides a strong base for lifelong learning. As the school leader, I will ensure our early learners will have access to high quality early childhood development and learning experiences that nurtures the whole child and is responsive to each learner's diverse background, interests and abilities.

Together, we can achieve our school's vision and mission of empowering our early learners to be lifelong learners by working together to cultivate a close family and school partnership to support the success of all students. I am excited about all we will accomplish together for our children and look forward to celebrating our collective success together throughout the school year.

In closing, please know that my door is always open to you and I heartily welcome your conversation and input throughout the school year.

Best Regards,

**Kimberly Fuller**

Linapuni Principal
