

April 6, 2020

Aloha, Families!

Thank you for picking up Packet # 2 to support your child's learning! Now that we know distance learning will continue until April 30, we prepared enough materials in this packet for your child to work on throughout the entire month of April. We hope that you will be able to use this packet to support your child's learning at home. While we understand that it is a different experience for all of us, we truly appreciate your efforts and your willingness to try distance learning with us!

This packet includes more opportunities for your child to practice reading, writing, and other skills that we learned in school earlier this year. We also encourage you to take a look at the online activities as well as the offline activities lists. These activities can be done every day and are great ways to engage your child in learning while having fun! We also included these activities on our school website (Kindergarten enrichment activities). Be sure to visit our online school page, as we may be posting videos for our students!

Last but not least, please connect with us through Class Dojo! It is a great way for us to keep in touch with each other! Through Class Dojo, we can send you any updates as needed and we can be sure to answer any of your questions right away! We provided more information on how to connect through Class Dojo in this packet.

Once again, we are here to support you as much as we can! We understand this is a stressful time for everyone, but we are in this together. Please practice social distancing for the safety of your families and those around you, avoid touching your face, and always remember to wash your hands with soap and water for 20 seconds (sing "Happy Birthday" twice). If you have any questions or concerns, please contact the school and they will send us your message, or contact us directly through Class Dojo. We're here for you! Take care and keep safe. We look forward to seeing you soon!

Love,
Mrs. Salcedo
Ms. Werkmeister
Mr. Azama
Mrs. Inouye
