Dear Linapuni Elementary School teachers, staff, parents and students,

I am pleased to announce Mrs. Kimberly Fuller has been selected and approved as Linapuni Elementary School's new principal. Mrs. Fuller, a former special education teacher and high school vice principal, is currently Honolulu District's Educational Officer for our Alternative Learning Program, Support and Services (ALPSS). She has an extensive background and passion for working with our range of underserved populations. Mrs. Fuller's enthusiasm and leadership will be an asset to continuing Linapuni's efforts in improving outcomes for our youngest and most vulnerable learners.

I would like to thank Principal Arnie Kikkawa for serving as the interim principal for the past two months. I appreciate her continued dedication to the Farrington complex and providing Linapuni with a smooth transition. Her last day will correspond with Principal Fuller's first day of work, Thursday, September 1, 2022.

Thank you for your patience and support.

Sincerely,

A handwritten signature in blue ink that reads "Rochelle Mahoe".
